Diagnostically speaking, there is no substitute.

The best equipment. And the best minds trained to use it. These are your Porsche certified technicians. Dedicated to Porsche vehicles above all else, they must complete over 80 hours a year training in the latest diagnostic technology and techniques. You'll also take comfort knowing all Porsche genuine parts are factory-backed for two years when installed by your authorized dealer. Better still, there is no substitute for having your vehicle serviced by professionals who not only know Porsche, but live Porsche every day.

Shenandoah Region, PCA is an organization dedicated to the enjoyment of the Porsche automobile. The region's newsletter, "The Heat Exchanger," is published monthly with a production deadline of the 20th of the month prior to publication. The information in this newsletter is solicited from the membership of this region and other newsletters and may or may not be consistent with the beliefs or ideals of the Editor.

Reproduction of this newsletter is permitted only with written consent of the Newsletter Editor. Porsche and the Porsche crest are trademarked property of PCNA. Changes of address should be sent to the Membership Chairman and to PCA National offices in care of Diana Tringali at PO Box 5900 Springfield, VA 22150, 703-451-9000.

WRITTEN CONTRIBUTIONS AND PHOTOGRAPHS ARE WELCOMED. Please e-mail submissions to info@printsourceva.com, prior to the 20th of the month. Please make the subject line of your email "Heat Exchanger". Publication of those submissions will be in the next available issue, based on space, timeliness, and appropriateness. A special thanks to all those who contribute and advertise in "The Heat Exchanger!"

Advertising rates: \$75/month full page inside front and back covers, \$60/month-full page interior, \$36/month-half page, \$24/month- quarter page/business card. We prefer ads to run for a minimum of six issues, preferably 12 (one year), and are due and payable in advance. All ads, except the inside covers, are in black and white and must be sent in a reproducible format such as Adobe PDF, JPEG or TIFF file. Please contact the Advertising Manager for ad sizes. Send all ads and inquiries to the ADVERTISING MANAGER, Dan Ehrman, (434) 973-8399 or (540) 456-8116.

Das Market ads for new and used Porsches and Porsche parts must be sent to the newsletter editor by the 20th of the month prior to publication. These classifieds are free of charge for Shenandoah Region PCA members and all Das Market ads will be purged after running. Das Market Ads also run for free in the web site's new Mart page. Send optional photos and copy by e-mail link to the webmaster. All others who want to run a classified ad in Das Market will be charged \$1.00/line.

A regional web forum should make it easier for small groups to organize and coordinate Porsche-related activities quickly without requiring a flurry of emails and phone calls among the participants.

If you would like to join the group, go to the LINKS page, click on "Shenandoah Region Forum," and then click on "Sign in and apply for membership," click on "create an account", and fill in the blanks. Google will send me an email with your request, which Jim Condon will approve if you are a member the Shenandoah Region PCA. After you have become a group member, you can log in to read or post messages at any time by clicking on the "Shenandoah Region Forum" link.

Thanks to Jeffrey Elmore for suggesting the forum, which we hope will help our members get together for small impromptu events. If you have any questions or comments about the forum, send Jim an email at jcondon@nrao.edu. THANKS JIM!

Welcome 2011 and welcome to our new officers!

2010 went by in a flash; it seems like just yesterday I was enjoying a summer drive in my Porsche and now there is snow on the ground. As always, I look forward to the many exciting events we've got planned for 2011.

As Editor, I'm always looking forward to Heat Exchanger contributions from our members. Do you have a story to share? Perhaps a great picture of your Porsche?

We have slightly updated the look of the Heat Exchanger for the New Year to keep things fresh. Your contributions to our club publication keep the reading interesting and timely.

Thanks!

I appreciate all of the support I have received from members in my roles as Social Chairman and Vice President and am looking forward to being your new President of the Shenandoah Region PCA. However, I do have some big shoes to fill.

When my husband Jim Condon and I first joined Shenandoah in 2003, Rick Ebinger was President. Rick always made Jim and me feel comfortable at the occasional events we used to attend with his

easygoing, friendly smile and greeting of "How's it goin' guys?" He was always encouraging and made us look forward to the next event.

Phyllis Scrogam followed Rick as President and was a great one for attention to detail and making things happen. She, with the assistance of then Vice President Herb Distefano, encouraged Jim and me to become part of the Shenandoah organizational team. Jim became Web Master and I became Social Chairman. At first, I felt Phyllis didn't trust me in my new position as she checked to make sure every "i" was dotted and every "t" was crossed. As I became more familiar with my job (and hers), I began to understand how much Phyllis loved this club, its members, and of course, the Porsches. Her dedication and great sense of responsibility insured that members' issues

were addressed and that events were well organized and implemented. Phyllis was extremely gifted at remembering people and details about them and their cars and always made everyone feel part of the Porsche family.

I continued to serve as Social Chairman during Army Colonel Herb Distefano's presidency. Herb made sure everyone "marched" and everything was in order. He was especially good at listening to his troops and making informed decisions after processing different views from members. Always going the extra mile, Herb took on the huge task of revising our club's bylaws. Even though Herb is a formidable man, his warm smile and big bear hugs could put anyone at ease.

Last but not least, I continued as Social Chairman and added the role of Vice President under the leadership of out-going President Bill Sanders. Bill was always comfortable in front of an audience and was never without a story to tell. A CPA by profession, he generously provided financial counsel to our club.

As you can see, I have some great leaders to follow. I will do my best to incorporate all of their great attributes into my own style. Please know that my "door" is always open. If you have problems, questions, comments, or suggestions, feel free to call or email me anytime at (434) 295-3955 or vscapec@cstone.net.

Our next Shenandoah event will be the Annual Planning Meeting on Sunday, January 9 where we will set the initial calendar for 2011 and discuss other club issues. Contact me before the meeting if you have ideas of your own so that we can put you on the schedule. A number of members have already come forward with ideas for events, so it looks like 2011 will be even more action-packed than 2010!

Have you updated your email address with PCA lately?

We'd love to be able to contact you periodically by email to inform you of special club events. We'll never publish your email or use it more than just a few times a year. Please visit www.pca.org under member services to ensure your email (and other contact information) is correct.

IMPORTANT NOTE: When you receive your membership renewal notice from the PCA national office, please give it a high priority and renew your membership promptly. If you fail to renew within 30 days, you will be dropped from the PCA roster and thus deleted from the Shenandoah Region records and mailing list. Avoid this tragedy by renewing online at <http://www.pca.org> (click on Member Services & Contacts). You may always renew by mail as well.

INSURANCE FOR SHENANDOAH REGION PCA EVENTS

All members, children, and guests who drive, ride, and/or spectate at PCA moving car events are required to sign PCA waivers to be covered by PCA insurance. These events include but are not limited to driving tours, road rallies, autocrosses, gymkhanas, tech sessions, and Drivers Education (DE) events.

Waiver forms for adults are available and are to be signed at the events.

Waivers for children are available on the Shenandoah web site at <http://shn.pca.org/clubdocs.php> and can be prepared in advance. Click on "Release and Waiver of Liability (minors in restricted areas)." Forms must be printed in color and be signed by both parents or guardians where applicable. Waiver forms for children will be available at the events, also.

ANNUAL HOLIDAY PARTY CAPS OFF A MEMORABLE YEAR!

Story by Harry Kennison, photos by Jim Condon

A crisp and cold starlit December evening greeted 88 Shenandoah PCA members and guests who came to bring down the curtain on another banner year at the Club's annual Holiday Party held at Michie Tavern. During the social hour, members and guests enjoyed each other's company as well as the retrospective slide show of this past year's Shenandoah Region events and activities prepared by Jim Condon. As usual, great job Jim!

Following Mel Brannan's invocation, outgoing Club president, Bill Sanders, and Michie Tavern general manager and fellow PCA member, Sam Morris, welcomed us all to the Michie Tavern.

Bill re-capped the highlights of what can only be described as an action-packed 2010 calendar for the Shenandoah Region. Events and Activities included:

- Five Porsches & Pastrami tours orchestrated by Gary Hager at Durty Nelly's Pub & Wayside Deli.
- An intense Autocross schedule headed up by Rick Ebinger and Erik Boody.
- The Poplar Forest & Peaks of Otter Tour led by Deane Parker and co-hosted by the Blue Ridge Region PCA.
- Numerous Drivers' Education track days and High Performance Driving Clinics at VIR and Summit Point, including a DE/Customer Appreciation Day at VIR sponsored by Euroclassics Porsche.
- Another joint tour with the Blue Ridge Region PCA to the Green Bank Telescope and Cass Scenic Railroad in West Virginia led by Jim Condon and Sherry Westfall.
- Our 15th Anniversary party hosted by Herb Distefano at his beautiful lakeside home on Lake Anna.
- An outstanding RPM headed up by Alex Smith with the gracious hospitality of Howard and Leeanne Faunce and dozens of volunteers who made this signature event possible.
- A fabulous Fall Foliage Tour headed by Phil and Susie Audibert with continental breakfast served up by Weldon and Phyllis Scrogam at G & W Motorwerkes.
- The Montpelier to Bavarian Chef Drive and Dine headed by Dan Graff.
- Two social/technical meetings hosted by Paul Overstreet at Overstreet European Motors and Geoff and Mike Kilmer at Photoworks.

It was indeed a year to remember! We even joined the First Settlers Region for an old-fashioned drive-in movie night!

Congratulations go to webmaster, Jim Condon, who took second place in the PCA Class 2 website competition and to Ben

Briggs, the Heat Exchanger editor and his partner, Nancy Vetter at PrintSource who took third place in the Class 2 newsletter competition.

Rick Ebinger presented this year's Autocross honors to:

- Mike Kilmer-1983 Porsche 911SC: PO3 Class for 1965-1989 Porsche 911's
- Stephen Garstang-2001 Boxster: PO5 Class for Boxsters & Caymans
- Emmett Richardson-2006 911 Carrera S: Class PO4 for 1990 to present 911's
- Sherry Westfall-2007 Cayman S: Ladies Class
- Gary Krichbaum-1997 BMW M-3: Non-Porsche Class

In a close decision, Rick gave the 2010 Autocrosser of the Year Award to Stephen Garstang. Congratulations Stephen!

Former Shenandoah president, Herb Distefano and president-elect Sherry Westfall presented outgoing president, Bill Sanders with gifts and a plaque for his two years of dedicated service. Bill will be succeeded by Sherry who begins her term in January 2011.

In a special presentation, Phyllis Scrogam presented Alex and Gail Smith with a framed photo of Gail's mother, Joy Tupper, who passed away September 30th. Joy was considered to be the "Grand Dame" of the Shenandoah Region and a major sponsor of the club's signature event, RPM. She will be greatly missed.

The evening ended on a high note when Bill Sanders and Sherry Westfall drew names from the list of attendees for gifts donated by CDOC, Euroclassics Porsche, and Porsche of Charlottesville. It was a memorable evening for all who attended and a wonderful way to wrap up a terrific year for the Club.

We as a club have been talking about making a contribution to a charitable organization for quite some time and finally did so in December, thanks to the efforts of Steve Heim who headed a charity committee that included Johnny Johnson and Dave Lasch. These members put their heads together to try to determine what type of organization Shenandoah would like to donate to. Based on feedback from club members, two criteria were clear: (1) the charity should be local where the money would have a direct and immediate impact and (2) the organization should not be affiliated with any specific political or religious group. Steve presented his committee's findings at the May social/business dinner meeting at Shackelford's in Richmond, and members present concurred.

Of the organizations considered, Service Dogs of Virginia (SDV), located in Charlottesville, VA, most closely fit their recommendations. SDV raises, trains, and places dogs to assist people with disabilities who are in a wheelchair full or part time or have balance or motor coordination issues. In addition, they train dogs for children with autism as well as diabetic alert dogs. The many services these dogs perform such as opening doors, picking up dropped objects, protecting autistic children from a dangerous situations and improving their communications skills, detecting and alerting their Type I diabetic humans to low blood sugar levels, and providing acceptance and companionship allow disabled people greater personal freedom and independence.

Earlier this year, I made connections with one of SDV's clients, Don Booze, who is on the list for a service dog. Don is a young man in his mid twenties who is the ultimate car enthusiast. He has a variety of souped-up cars and trucks and was working as a maintenance mechanic supervisor when he was involved in an accident. He was into drag racing at Maryland International Raceway and had been planning to try autocrossing as a new challenge. Unfortunately, about two years ago he was driving his Mitsubishi Evo VIII MR and hit one of two Clydesdale horses that had gotten out of their fence. Don's neck was broken, and he became a quadriplegic. Needless to say, his life has changed drastically. Don is a fighter and a very determined person. He has worked with Shepherd Center, one of the top rehabilitation hospitals in the nation that specializes in medical treatment, research and rehabilitation for people with spinal cord injury or brain injury. In addition, he has gone through a rehabilitation program at Woodrow Wilson Rehabilitation Center

(WWRC) in Fishersville. He said one of his most exciting days was when he got behind the wheel of a van at WWRC and drove again. Don is still very passionate about cars and would like to join us for some of our events.

It takes approximately two and a half years and \$18,000 to prepare a dog for the type of service work SDV expects from their dogs. Clients are not required to pay for their dogs but are asked to help in fundraising for the organization. On December 8, I had the privilege of presenting the Founder and Director of Training of SDV, Peggy Law, with a check for \$1,500 from our club. She was very thankful for the donation and said that it was the first large amount given toward Don's fundraising efforts.

For more information about SDV and how to donate, visit the Service Dogs of Virginia web site at <http://servicedogsva.org/> or call (434) 295-9503. If you or someone you know would like to contribute to Service Dogs of Virginia, please specify Don Booze or Porsche Club in the subject line of your check so that the funds will be recorded as part of Don's fundraising efforts.

CAROLINAS REGION DE AT VIR – NOVEMBER 19-21

By Jim Condon

The late-autumn Carolinas DE at VIR (Virginia International Raceway) is the final track event of the year for most of us. Track tires have poor traction in subfreezing temperatures, spending the days outdoors in a cold paddock can be unpleasant, and snow or ice can make driving impossible. This year we were lucky to have three perfect sunny days, chilly in the morning but quite nice in the afternoon. The cover photo shows Brian Coey's frosty 996 warming up just after sunrise. One advantage of cooler weather is denser air, which increases engine power and top speeds on long straights. Another is driver comfort, without the heat stress and dehydration caused by really hot summer weather common in Danville.

The usual Richmond gang from the First Settlers and Shendandoah regions was there in force: Alex Bell, Brian Coey, Carl Gerster, David and Erin Israel, Scott Reisenweaver, Cliff Reynolds, Steve Sarfaty and Bernie Syme. Erin's 996 was in the shop at Lufteknic for diagnosis of a problem that turned on the "check engine" light. Therefore David's 993 had to do double duty, and his car eventually retired with a shift linkage problem. Three Richmond drivers (Bret Jacobson, Jacob Kay, and Craig Weber) brought Caymans, which are becoming more popular in DE's.

From Charlottesville, Hamish Brookeman showed up in his black Cayman S, which he is definitely driving faster in the blue group. Sherry Westfall drove her first full event in the solo white group and experiencing the transition from passing almost everyone on the track in blue to being chased by nearly everyone in white. Her left arm got plenty of exercise. Several in the Richmond gang ran as a pack in black, usually pulling away from relatively new black driver Jim Condon.

Another "feature" of a late November DE is the sun is setting late in the afternoon, sometimes making it hard for drivers to see into the glare. Notice the long shadows on Sherry's 996 as she enters turn 4 for her last lap of 2010.

Next year starts with the Zone 2 DE at VIR on the weekend of March 18-20. I hope to see you there.
